

STATE OF HAWAII FAMILY COURT OF THE CIRCUIT	EXCEPTIONAL CIRCUMSTANCES FORM to be attached to CHILD SUPPORT GUIDELINES WORKSHEET (CSGW)	CASE NUMBER: FC- No.
---	--	-----------------------------

This form requires information from your completed CSGW, and you must mark it as an attachment at the bottom of the CSGW.

Payor Parent: _____ No. of children in this case: _____ CS amount from Line 14: _____

The court should deviate from the Total Monthly Child Support Obligation as calculated on Line 14 of the Child Support Guidelines Worksheet (CSGW) because of the following exceptional circumstance(s):

EXCEPTION REQUESTED BECAUSE CALCULATED CHILD SUPPORT EXCEEDS 70% OF NET INCOME

Payor's total monthly child support obligation as calculated on Line 14 of the CSGW (_____) exceeds the minimum support amount of \$70 per child and is greater than 70% of Payor's net income from the Table of Incomes (_____).

I request a finding that an exceptional circumstance exists and that Payor's total monthly child support obligation on Line 14 of the CSGW be limited to either 70% of Payor's net income or \$70 per child, whichever is greater. Using the higher of the two numbers the total support for the ___ children in this case would be _____ per month. After deductions for monthly child care expenses listed on Line 15 (_____) and health insurance costs listed on Line 16 (_____), which are paid directly by Payor, the remaining child support obligation of Payor will be _____ per month

EXCEPTION REQUESTED BECAUSE PAYOR SUPPORTS ADDITIONAL LEGAL CHILD(REN)

A) Payor's total monthly child support obligation as calculated on Line 14 of the CSGW (_____), divided by the number of children to be supported on Line 4 of the CSGW (___), equals _____ per child.

Is this amount per child greater than \$70 per child (the minimum support amount)? Yes ___ No ___

B) Payor supports ___ additional legal child(ren). If all of Payor's Net Income on Line 2 of the CSGW (_____) is divided by the total number of children Payor is required to support (___), each child would receive _____.

Is this amount per child less than the amount per child calculated on Line (A)? Yes ___ No ___

If the answers to both questions above is 'Yes,' you may request that the Court make the following finding:

Due to Payor's obligation to support (and Payor's actual support of) additional children, I request a finding that an exceptional circumstance exists and that the support per child in this case be limited to the greater of the amount per child shown in Line (B) above, _____, or the State minimum per child of \$70. Using the higher of the two numbers the total support for the ___ children in this case would be _____ per month.

After deductions for monthly child care expense listed on Line 15 (_____) and health insurance/cash medical cost listed on Line 16 (_____), which are paid directly by Payor, the remaining child support obligation of Payor will be _____ per month.

EXCEPTION REQUESTED DUE TO OTHER CIRCUMSTANCES

SUMMARY OF CHILD SUPPORT PAYMENTS (IF EXCEPTION IS GRANTED)

___ Mother ___ Father pays monthly child support of _____ to other parent, _____ per child per mo.
 ___ Mother ___ Father pays health insurance/cash medical. ___ Mother ___ Father pays child care expense.
